Recruitment/Attraction Efforts Toward Meeting Targets

<p>Economically Disadvantaged</p>	<p>families and hands out flyers. In addition, we visit and leave flyers at headstart programs operated by the Economic Opportunity Commission (EOC) in Roosevelt, Freeport and Hempstead. The EOC headstart program is a primary feeder school for RCA kindergarten seats. We also visit the Hempstead Public Library Family Center.</p> <p>RCA has a longstanding relationship with EOC. For example, we invite their staff to present at RCA parent workshops on topic such as nutrition, domestic violence, and immigration documentation. Since they have pre-k expertise in early childhood we refer our families with this need to consider registering early for the program. Further, RCA also acts as a resource in the EOC's interagency meetings to provide feedback and information about family needs at RCA.</p> <p>All school enrollment applications and flyers mention that the school accommodates students with disabilities, English language learners and participates in the free and reduced lunch program.</p>	<p>In 2019-20 RCACS has 92% of the enrollment identified as economically disadvantaged, whereas the local district enrolls 75% ED students.</p>
	<p>To attract more families who speak a language other than English, we offer our advertising materials in Spanish, which is the primary language of families with English language learners in our area. We provide Spanish flyers at local daycares, EOC</p>

headstarts, and visit and provide flyers at Circulo De La Hispanidad, which is a local organization that serves Spanish-speaking families. Our lottery and registration materials are translated into Spanish. We also have a bilingual staff member who helps answer families' questions and fill out paperwork. Prior to and during registration, we host an open house meeting in Spanish where parents can become familiar with our curriculum, program benefits, and services.

Many of our ELL applicants come to RCA based on word-of-mouth recommendation. Our ELL families have high rates of satisfaction with the school; our average retention rate for ELLs is consistently near 100%.

All school enrollment applications and flyers mention that the school accommodates students with disabilities, English language learners and participates in the free and reduced lunch program.

In 2019-20, RCACS ensured that our online application and instructions are translated into Spanish.

In 2019-20, our percentage of ELLs was 11% and RUFSD enrolled 30%. We recognize that our enrollment of ELLs is far below the district, however, we have increased the enrollment of ELLs in each of the past five years and we will continue to increase focus on our recruitment practices to ensure further growth in ELLs at RCACS.

Our outreach for families with students who have special needs includes visiting over 30 daycares in Hempstead and Uniondale where our representative meets with families and hands out flyers. In

Students with Disabilities	<p>addition, we visit and leave flyers at headstart programs operated by the Economic Opportunity Commission (EOC) in Roosevelt, Freeport and Hempstead. All school enrollment applications and flyers mention that the school accommodates students with disabilities, English language learners and participates in the free and reduced lunch program. Our intention is to inform the families interested in high quality special education services that RCA welcomes all and will design programming based on the students specific special education needs as outlined in their Individual Education Plan (IEP) or 504 Plan.</p> <p>In addition, we have attended special education parent/teacher organization’s meetings from various surrounding school districts within our catchment area and have presented informational material to parents who wish to learn more about the charter school experience.</p>	<p>In 2019-20, our percentage of SWD was 8% and our district had 14% SWD. We will continue to implement our current practices, as our steady increase in SWD enrollment, year over year, since 2016-17 indicates that our practices are resulting in greater numbers of SWD enrolled at RCACS.</p>

free of charge, allow the parents of our students to work or attend school knowing that their child is in a safe environment.

We maintain a selection of free uniforms on site for families in need. In addition, we also offer free Saturday school tutoring. RCA partners with the local public library to facilitate book lending and participation in reading programs (“Reading Tree”).

In partnership with EOC, RCA offers free legal clinics on topics such as Domestic Violence and Immigration. RCA families are invited to and participate in these free community events. Our EOC partners also participate as presenters at our parent workshop.

RCA also offers additional parent workshops on topics including High School Planning/Scholarships, Internet Safety, Understanding the NYS literacy standards, Nutrition, Financial Wellness/Budgeting, Interacting with Law Enforcement, Anti-Bullying, Fire Safety, Family Art Day, College application process, Emotional Wellness/Mindfulness.

We cover our meal program during the annual Academic Night program, on mailings to applicants, in the Student Handbook, and during tours and information sessions. Support is offered to assist families in completing all necessary paperwork to ensure eligible students participate in the lunch

Our retention rate for ED students was 88% between 2018-19 and 2019-20. We intend to continue the efforts in place, and will continue to focus on how to best support families .

	<p>program.</p>	
<p>English Language Learners/Multilingual Learners</p>	<p>RCA staff members maintain close communication with families of ELL students. We work to support communication by having our ENL teacher communicate with both classroom teachers and parents. We ensure that school events include represent a variety of cultural backgrounds to draw families in and continue to provide high quality ELL instruction where parents are a mutual partner. With notice a translator is made available at major events. Furthermore, a language translator dropdown is on the school's website.</p> <p>One of our most popular parent engagement opportunities is our Saturday parent workshop for adults learning English. We hire the Freeport Learning Center to conduct this weekly workshop, which lasts from October through May. During the workshop, we also provide free babysitting for participating parents.</p>	<p>Our retention rate for ELLs was 93% between 2018-19 and 2019-20. This meets the NYSED target of 95.5%. As our current strategies have resulted in exceeding the NYSED target, we will continue these practices going forward.</p>
	<p>We provide high quality education, above and beyond the IEP/504, which is supported by frequently assessing students' academic progress. RCACS employs a Director of RTI/Special Education. In addition, RCACS has two Guidance Counselors who provide social and emotional support for students. Designated students are supported by their one-on-one paraprofessional and other students are provided</p>

RCA staff members maintain close communication with families of SWD, which includes sending letters home to inform and involve parents. Constant contact between the classroom teacher and district related service providers supports SWD. We also provide workshops for parents of SWD in areas such as social emotional wellness/mindfulness and behavior management. Finally, we also provide information about our support for SWD during our annual Academic Night program and outline SWD referral process in the RCA Family Guide (called "Passport 2 Success").</p>	<p>Our retention rate for SWD was 75% between 2018-19 and 2019-20. RCACS recognizes this as an area of focus going forward.</p>
